MEMORANDUM FOR THE RECORD

Morning Meeting of 20 May 1968

25X1

DD/I reported that [ ] met with Dr. Hornig concerning the draft emerging from the PSAC study on Vietnam.

DD/I advised of his meeting with General Maxwell Taylor concerning the strength estimates question.

DD/I reported that State will now transmit LimDis cables to the Agency electrically and that Agency recipients should note that distribution to State area bureaus may consequently lag behind Agency distribution.

Godfrey observed that media reports of the possibility of a police strike in France appear to be exaggerated.

25X

DD/S reported that summer employment applications ran over double the availability of places and that applicants are being screened strictly on the basis of their performance in the employment test.

Executive Director drew attention to the need for summer employees to be properly supervised. The Director asked the Deputies to inform their subordinate supervisors of their responsibilities in this respect.

The Director asked the DD/S to ensure that we are doing everything possible to employ individuals from the deprived areas of Washington, D. C.
